Club & JUMP Umpires:

HPHC will be running the JUMP (Junior Umpires Mentoring) programme for students Year 9 and above. No previous experience is necessary. Students just need a desire to learn more about the game and be dedicated. This is a very popular programme, with mentoring provided by senior umpires each week.

Club Umpires are required for Youth and Senior Division games each week. Previous umpiring experience is not required, however, a good understanding of the game would be an advantage.
